

News: 2009 Messaging Awards Shortlist Announced

Submitted by [Mike Grenville](#) on Tue, 09 Jun 2009 16:48

The shortlisted entries for the 6th annual global Mobile Messaging Awards are announced.

The judges were pleased to see that innovation continues in the world of mobile messaging and conclude that there is much potential for this to continue in the years to come.

We congratulate the all the shortlisted companies and also thank all of the companies who entered.

More information on the entries of these shortlisted companies will be posted here shortly.

Innovation in Messaging

- Clickatell - SMS Used by US Military for Healthcare (USA)
- Mobiqua - Airline Product Suite (UK)
- Sharpcards - EMMA: Enhanced Mobile Messaging Application (UK)
- SpinVox - VoxLinks 'Speak a Text' (UK)

Messaging Application or Service: Public Sector

The decision in this category will be announced at the awards ceremony.

Awards Ceremony & Dinner

The Informa Mobile Messaging Awards Gala Dinner takes place at the [Cabinet War Rooms](#) on the evening of 23rd June 2009.

Following on from the close of the first conference day, the dinner is only minutes from the conference venue. Taking place in one of the greatest settings in London, delegates will enjoy an extended drinks reception and buffet-style dinner with extensive networking and entertainment. Dinner will be held in the old electricity control room and delegates will be invited on a comprehensive tour of this historical venue which was the seat of government during World War II. The Awards Ceremony follows dinner.

Delegates to [Global Messaging Congress](#) can register for the dinner when booking.

For additional tickets to the dinner at £99 +VAT please contact: Carine Vandeveld
