The future of mobile ticketing is here

BOOKING NOW
 Tired of missing out on tickets to the hottest gigs or paying too much at the last minute? ticketrush.co.uk is about to make your day! This brilliant, free service gives you the chance to be first to buy tickets to your favourite gigs by tapping straight into the ticketrush.co.uk website.

With ticketrush.co.uk you get the chance to buy tickets before the general public as well as late release tickets for sold out gigs, alerted to you by a text message directly to your mobile phone.

This unique ticketing service offers pre-sales to gigs such as Pussycat Dolls, John Legend, Guillemots, Gnarls Barkley, amongst others, and today ticketrush.co.uk is pleased to announce the release of last minute mobile tickets to a selection of forthcoming, top London gigs!

From rock through to pop, ticketrush.co.uk has something to suit all tastes and is

now offering last minute mobile tickets for Bullet For My Valentine (28th Nov), CSS (8th Dec), James Morrison, DragonForce (14th Dec) and Cradle of Filth (19th Dec). Your mobile ticket will be sent directly to your mobile phone and its unique barcode scanned on entry - no queue, just a hassle free, gig haven!

What are you waiting for? Get to the front of the queue, anytime, every time. Check out ticketrush.co.uk now and let the good times roll!
